Allowable Subject Matter

1. Claims 2-4, 7, 8, 10, 11, 14-20, and 24-30 (claims 1-21 renumbered) are allowed.

2. The following is an examiner's statement of reasons for allowance:

As per claim 24, the BPAI decision mailed 3/2/06 found that the ^{closest} ~~closed~~ prior art of record, Bohannon et al (USPN 6, 125, 371), fails to disclose "receiving and storing first and second records in the manner described in the rejection," and as interpreted by the Examiner on page 23 of the Examiner's Answer mailed 7/14/04. The BPAI further held that any combination with Dettelbach, the secondary reference to ^{meet} ~~mean~~ the requirements of claim 24 could only arise from improper hindsight reconstruction.

Independent claims 26 and 29 include similar limitations regarding receiving and storing first and second records , that are recited in claim 24. (See BPAI decision 3/14/06, page 6) As such, the closest prior art of record, Bohannon, fails to also disclose receiving and storing first and second records in the manner described in the rejection for claims 26 and 29.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
